**Contact:**

Kelley Monahan

## Grafton County Registry of Deeds Open House October 9, 2024

Register of Deeds Kelley Monahan and her team would like to invite all people of Grafton County to an open house. We have been working for years on a number of projects designed to enhance and further protect the very valuable historic records that are stored here in the Administration Building of the County complex in North Haverhill. I will be seeking the support of the public as I move ahead with a plan to turn the former research room into a home for the new Grafton County Historical Society.

The vault has been undergoing a full rehabilitation and redesign to better protect the records and to accommodate the new home of the ARPA funded historic plan book restoration project.

Guided tours will start at 7:00 AM and continue every two hours until the last tour at 5:00 PM.

Cider and donuts will be served.
